Conclusion

Now you're armed with alerting templates and best practices for use before, during and after a critical event. Our technology ensures your agency's critical communications are always rapid, relevant and easy to send and receive:

Rapid Response/Targeted Approach
Get the right information to the right people at the right time. Now you can deliver urgent messages in 190 countries and over 29 languages. Geo-targeted alerts ensure you reach only those in the zone of impact.

Versatile Solution/User-Friendly Interface
Multiple modalities give you the best chance of reaching everyone. Choose from phone, email, SMS, desktop alerts, IPAWS, voice and more. Our intuitive dashboard makes communication convenient with a simplified, step by-step alert-send process.

Deep Experience/Superior Support
As a pioneer of the mass notifications industry, OnSolve has expertise honed from over 60 years of public and private sector work. Thanks to our 24/7/365 support team, you're never alone in a crisis.

CodeRED provides **effective communications** to keep your community safe and informed.
